

Forest for Learning Land Use Policy

The Forest for Learning is managed to conserve environmental and ecological integrity, and in order to foster educational programming in forest ecology, stewardship and sustainability. Our primary goal is to promote appreciation for the natural world.

Guidelines for Use:

- **All Trails are Designed as Footpaths.** Wheelchairs, bikes, and skiers may encounter unsuitable terrain in some sections. Mountain bikes are permitted on the trails, but *please* don't use them during wet periods.
- **Dogs** are permitted but must be kept under the owner's control at all times.
- **Outdoor Classrooms** are located at various spots in the Forest, for use by the Putney Central School. Please respect these - they are important to the students and their teachers.
- Please strive for **low impacts** to the Forest by following carry-in/carry-out and leave-no-trace practices.
- **Motorized Vehicles** are *not* permitted in the Forest, except for emergencies and authorized maintenance activities.
- **Outdoor Fires and Camping** are *not* permitted without prior authorization from Forest for Learning.
- **Hunting and Trapping** is *not* permitted.
